- Scope of Journal:**
- Acta Universitatis Matthiae Belii, series Mathematics, publishes original research articles and survey papers in all areas of mathematics and theoretical computer science. Occasionally valuable papers dealing with applications of mathematics in other fields can be published.
- Manuscripts:**
- We only consider original articles not under consideration in other journal and written in English. For the preparation of your manuscript use please **aumbart** L<sup>A</sup>T<sub>E</sub>X document class, available from <http://actamath.savbb.sk>. Send the source file and figures needed to compile the output form as an attachment via e-mail to the address [actamath@savbb.sk](mailto:actamath@savbb.sk).
- Subscriptions:**
- Acta Universitatis Matthiae Belii series Mathematics is usually published once a year. The journal is available for exchange. Information on the exchange is available from the Editorial Office. On-line version of the journal is available at <http://actamath.savbb.sk>.
