Creating Harmony and Love of the Country in Elementary School Students Through the Art of Med-medan Tradition

Ni Luh Sustiwati, Wayan Paramartha, Putu Agus Wawan Kurniawan, Ni Wayan Iriani

Nationalism and love for the country for the next generation of the nation is decreasing. One of the efforts that can be made to grow and develop a sense of nationalism from an early age can be done through education in elementary schools. This study aims to analyze traditional art that can be used as...

The Analysis of the Immigration Politicization Issue in France Based on the Issue Evolution Theory

Sarra Rahoui

The growing number of immigrants in Europe and the eruption of the recent refugee crisis in 2015 raised several questions related to the issue of the integration of migrants. The scholarly attention remains, however, limited when examining whether or not there is any mechanical link between these questions...
